## From the President — Carli

A big thank you to everyone for attending Stage Practice. It was a really successful day and it was really great to see all your hard work paying off. A massive thank you to the amazing Tracie and her helpers for having so much of the costuming done. As always, the costumes are looking fantastic.

All of this can only mean one thing... competitions are just around the corner! Please make sure you are popping into class to see your Team Manager as they will have important information to give out about comps. This will include information about what you need to take, competition etiquette and more.

We are also ordering stockings this week (Subbies through to Senior sections) so please make sure your team manager knows what size you need. There are samples at class to try on if needed. Of course, if you have any questions, please don't hesitate to ask!

Lastly, we held another Bunnings BBQ on the weekend. A huge thank you to our Seniors and Masters who helped out with this one. It was another really successful day with a great amount of funds being raised!

## From the Treasurer — Melanie

Wow hasn't the last couple of months gone fast. We are nearing competitions and I can't wait to see you all on stage.

For those members heading to Ballarat this year, the club has paid for your accommodation (if requested) and invoiced you the relevant amount. These invoices are to be paid by the 31st July 2021. If payment has not been made by this date your accommodation will be cancelled and your invoice credited.

Chocolates will be handed out this week. You will be invoiced for these through Revolutionise at \$60 for each box. Once monies are returned then these will be allocated to that invoice.

If you have any questions regarding fees, amount owing or payment plans for if you are struggling to pay, please get in touch with me. Good luck to everyone competing. Have fun, sparkle and shine.

## Chocolate Drive

It's that wonderful time of year where we get to sell all that yummy chocolate! It is one box per family to begin with.

As per the treasurers message, you will be invoiced for the boxes straight away and paid for with the money you raise.

Once handed out in classes between Monday 12th July and Wednesday 14th, the money raised and any remaining chocolates need to be returned by the end of July.

## Photo Day

A great day to get done up in our costumes and take professional photos with our teams and friends. With attendance highly encouraged, it can be a special and fun day for all of us.

If members would like to get solo/duo photos please talk to your team mum as there is a request form to fill out. If you do order them they will need to be purchased. Team photos, however, are not compulsory to purchase.

The schedule is as follows:

8.30am—2.00pm: Tinies, Subbies and Juniors.  
12.30pm—4.00pm: Inters, Seniors, Masters.

Please arrive on time so we can ensure hair and make-up is done before we start photos.

## More to the Calisthenics World

Recently our Seniors Competitor and Inters assistant Chloe Reichelt completed the foundation assessment class on her journey to becoming a Coach!

It's a great program and a great way for many members to expand their knowledge of the calisthenics world.

Chloe did the assessment class as a coach and we had Shakira (Tinies), Olivia, Gemma & Emily (Juniors) and Sophia (Inters) all attend the class as competitors. It was a great day for all the girls and we wish Chloe the best of luck with the rest of her coaching journey.

## Camp Survey!

After what was a beautiful and fun weekend at Cali Camp we've put together a short survey.

If you could all complete the survey to help us make future Camps even better for everyone we would appreciate it.

Also, if there is any feedback you'd like to give that isn't covered by the questions please put it in the section at the end of the survey.

You can find the survey
